

Digital Photography Spring Project

Write a proposal for a digital photography project you will work on over the next few weeks. You may choose one of my suggestions OR select your own. This will give you a chance to focus on an area of photography that you are interested in, want to improve on, or share your expertise.

Most projects will include printed and written work. More grading info to come.

Suggested Projects

- *Change Over Time* -

- take a series of photos at approximately the same time every day. This could be in the same place OR where you happen to be at the given time daily.
- You could also take a picture of a certain object every day, to show how it changes over time.

- *Research Report*

- write a report / create a presentation about a *famous photographer*. The photographer must be appropriate for a Christian school environment. Suggestions are:

Alfred Eisenstadt

Ann Geddes

Ansel Adams

Art Wolfe

Dorothea Lange

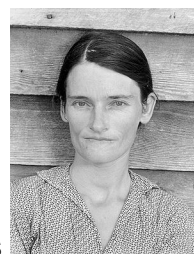

Eadweard Muybridge

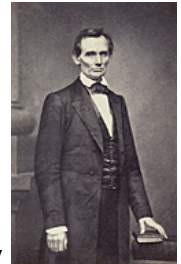

Edwards Curtis

William Wegman

Walker Evans

Matthew Brady

Digital Photography Spring Project

- *type of photography*

x-ray

sports

space

advertising/fashion

travel

architectural

- *Technique*

- Work in Photoshop (a few copies of Elements available in class) to create group of before/after edited images.
- Work with the special features on your camera.
- Create a tutorial
 - camera use
 - camera technique
 - camera care
 - etc...

- *Other ideas?*

**This will be a PROJECT grade, worth 50 pts,
so it's a major part of your grade for the class, in addition to the
writing assignment = 20pts
*Final Project = 100 pts.***
